 This year your property taxes will go up more than double the cost of living. That is not acceptable.

Property owners' rights are being negatively impacted by the decisions local government is making. That's why we formed the OWCLA. We believe that a group of focused and committed citizens can make good things happen when they work together.

We research the issues. We ask the tough questions. We expect results. We are prepared to act on your behalf in the interests of accountability. We keep our members up-to-date. Visit us at www.ontariowcla.ca. We will work with you - for you.

Together ... a stronger voice
